## **Achievement Award Rules**

1. This award is for cumulative achievement and is awarded to individual Samoyeds who compile points over one or more years of competition.
2. This award may be composed of points from one venue or from a mixture of any of the venues recognized by the OWS.
3. Samoyeds may earn multiple Achievement Awards. Achievement Awards are earned on each multiple of 1000 points. The first award is earned for the first 1000 points, the second for the next 1000 points, etc.
4. Samoyeds qualifying for the Achievement Award must be owned by an OWS member at the time of the award presentation; however the driver or skier (in the case of Sled Dog Racing or Skijor Racing venues) or the handler (in the case of all other venues) does not have to be a member.
5. Points accrued by a Samoyed before the dog's owner became a member of OWS can count towards the Achievement Award provided the appropriate verification for competition points are included when applying for the award.
6. For all venues, the number of competitions counted per year is not limited.
7. Achievement Awards can be submitted at any time during the year. All calculations are the responsibility of each individual member and shall be submitted to the OWS Statistician at the time of award application. Submissions must include the Achievement Award Form, the corresponding individual venue Tally Sheets, and appropriate verification. The owner is responsible for indicating on the Achievement Award form for which level (in multiples of 1000) they are submitting. If previous Achievement Awards have been won, include copies of the Achievement Award Certificates (if available). To avoid submitting duplicate information, the owner may advise the Statistician what year the information was submitted for an Annual Award; and the Statistician will then pull this information with documentation and points. If the information submitted is obtained from online records, it is permissible to "cut and paste" to avoid unnecessary printing and paper.
8. The OWS Statistician will send information on new Achievement Awards to the *Yapper* editor at the same time the certificate is sent to the owner.
